1 FIREMAN'S FUND INSURANCE COMPANY a/s/o BASIC RESOURCES, INC. and GEOREGE
2 REED, INC. ("FFIC").

3 2. I am a principal in the law firm of Derrevere, Hawkes & Black.

4 3. I am over the age of twenty-one. I am otherwise sui juris. I have personal knowledge
5 of the facts contained herein and if called upon to do so, I could and would testify competently
6 thereto.

7 4. At all times material, I have acted as lead counsel for Plaintiff FFIC in the
8 "Underlying Action", entitled "FIREMAN'S FUND INSURANCE COMPANY, a foreign
9 corporation as Subrogee of (a/s/o) BASIC RESOURCES, INC. and GEOREGE REED, INC.,
10 foreign corporations vs. GENCOR INDUSTRIES, INC., a foreign corporation, Case No.: 2004-CA-
11 7746, In the Circuit Court of the Ninth Judicial Circuit in and for Orange County, Florida". I
12 litigated this case through a jury trial which resulted in a Verdict for FFIC. Based on the Verdict, an
13 Amended Final Judgment was entered in favor of FFIC as well as a Final Judgment awarding costs.
14 True and correct copies of The Judgments are attached to the Fourth Amended Complaint in this
15 action (D.E. 29, 29-2 and 29-3). Herein, FFIC has sued Defendant GERLING AMERICAN
16 INSURANCE COMPANY ("GERLING"), which at all times material, was the liability carrier for
17 the Defendant, in the Underlying Action, "GENCOR". GERLING defended GENCOR in the
18 Underlying Action. A Pretrial Statement was filed by Counsel for GENCOR and FFIC in the
19 Underlying Action. A true and correct copy of the Pretrial Statement attached as Exhibit 1.

20 5. FFIC filed the Underlying (subrogation) Action against GENCOR on September 22,
21 2004; however, as of July 11, 2001 GENCOR, was a Debtor in Bankruptcy. GENCOR's Chapter 11
22 Plan was approved and pursuant to 11 U.S.C.S. § 524 a permanent injunction for a discharged
23 debtor was issued "In re: Gencor Industries, Inc., et al, Case No.: 00-03597-6J1 of the United States
24 Bankruptcy Court Middle District of Florida, Orlando Division." Attached as Exhibit 2 is a

27
28

1 certified copy of FFIC's Motion to Reopen the Bankruptcy Matter (docket entry 944), with an
2 attachment referenced "Fireman's Fund Insurance Company's Motion to Modify Discharge
3 Injunction." Although I did not represent FFIC in the Bankruptcy matter, I did confer with FFIC's
4 counsel, Michael A Paasch, Esquire regarding his effort to modify GENCOR's Discharge
5 Injunction to allow FFIC to proceed against GENCOR in the Underlying Action solely for the
6 purpose of pursuing a recovery from GENCOR's liability insurer, the Defendant herein, GERLING.

7
8 6. In the Bankruptcy matter, GENCOR objected to FFIC's Motion to Reopen. Exhibit 3
9 is a certified copy of "Opposition of Gencor Industries, Inc.'s to Amended Motion to Reopen."
10 (D.E. 945 in Bankruptcy Case).

11
12 7. As a result thereof, FFIC filed a "Notice of Withdrawal of Amended Motion to
13 Reopen of Fireman's Fund Insurance Company" (D.E. 946 in Bankruptcy case) which references
14 and attaches a "Stipulation" which was entered of record in the Underlying Action as well as the
15 Bankruptcy Action. The Stipulation was executed by GENCOR's defense counsel (hired by
16 GERLING) and by separate corporate counsel for GERLING (Exhibit 4).

17
18 8. These Exhibits are all true and correct copies of documents that are "of record" in the
court files for the respective cases identified herein and are public records.

19
20 9. FFIC has requested that this Court take judicial notice of these public court records,
21 pursuant to Federal Rules of Evidence 201. See: FFIC's Response with Cross-Motion for Judgment
22 on the Pleadings as to Defendant's Motion for Judgment on the Pleadings (D.E. 33).

23
24 I declare under penalty of perjury that the foregoing is true and correct under the laws of the
United States. Executed on this 1st day of May 2008 in West Palm Beach,

The plant consisted of equipment including a cold feed system, stationary dryer, batch tower, stationary bag house, stationary silos, salt conveyer with cleanout, and other miscellaneous materials sold by Gencor at a total cost to Basic Resources/George Reed of \$1,989,679.00. During the start-up process, the plant exploded. Fireman's Fund alleges negligence on behalf of the Defendant's employee, Mr. Dixon, in causing the explosion. Gencor denies all allegations of negligence.

As a result of the explosion and the property damage it caused, Basic Resources incurred losses for damage to the facility. UNITED STATES BANKRUPTCY COURT
MIDDLE DISTRICT OF FLORIDA
ORLANDO DIVISION

IN RE:

GENCOR INDUSTRIES, INC., et al.) Chapter 11
Debtors) Case No.: 00-03597-6J1

AMENDED MOTION TO REOPEN

COMES NOW, Fireman's Fund Insurance Company ("Fireman's"), by and through its undersigned attorneys and pursuant to §350 of the Bankruptcy Code, files this its Amended Motion to Reopen, as follows:

I. This is a Chapter 11 Case, the Order for Relief having been entered on September 14, 2000. On July 1, 2005, this case was administratively closed by the Court.

2. On or about April 18, 2001, after the Order for Relief, an asphalt plant recently purchased by Basic Resources, Inc. from the Debtor exploded on a Basic Resources' job site while being tested by a Gencor technician causing damages to Basic Resources, Inc. and George Reed, Inc. of approximately \$960,457.22.

3. As a result of payments made by Fireman's to its insured, it acquired a post-petition subrogation claim against the Debtor and formally notified the Debtor in writing of its subrogation claim in July of 2001, August of 2002 and February of 2004, and requested that the Debtor respond to Fireman's subrogation demands.

EXHIBIT 2

4. The Debtor did not respond to Fireman's subrogation demands nor inform Fireman's of this bankruptcy case. Accordingly, Fireman's filed suit against the Debtor in late 2004 as subrogee of Basic Resources, Inc. and George Reed, Inc. At the time of filing suit, neither Fireman's nor its counsel, James P. Gainey, had any knowledge of the Gencor bankruptcy. See attached Motion for Modification of Discharge Injunction.

5. In early 2005, Mr. Gainey was contacted by John Elliot of the Debtor informing Fireman's for the first time that Gencor had filed bankruptcy and that Fireman's insured, George Reed, Inc. had been previously notified of the bankruptcy.

6. After receiving this notice, Mr. Gainey informed the State Court that Fireman's would take no further action in that proceeding until the effect of the Debtor's bankruptcy proceeding on the State Court action was determined.

7. Article XIII of the Debtor's Fourth Amended Plan of Reorganization confirmed by this Court on December 20, 2001 titled "Retention of Jurisdiction" provides, in pertinent part:

Notwithstanding entry of the Confirmation Order or the Plan Effective Date having occurred, the Chapter 11 Cases having been closed, or Final Decrees having been entered, the Bankruptcy Court shall have jurisdiction of matters arising out of, and related to the Chapter 11 Cases and the Plan under, and for the purposes of, Sections 105(a), 1127, 1142 and 1144 of the Bankruptcy Code and for, among other things, the following purposes...

V. to interpret and enforce the injunctions contained in the Confirmation Order.

8. Although some bankruptcy courts have ruled that the reopening of a case in these circumstances is unnecessary because the law is clear that a creditor does not

violate the discharge injunction by proceeding with a lawsuit against a debtor in order to determine liability for purposes of collecting from a third party insurance carrier, Fireman's respectfully contends that "cause" exists under §350 of the Bankruptcy Code for this Court to reopen this case for purposes of considering and ruling upon Fireman's motion for modification of discharge injunction. See e.g. In re Patterson, 297 B.R. 110 (Bankr. E.D. Tenn., 2003) (motion to reopen should be granted for purposes of ruling on Motion to Modify Discharge Injunction because court's ruling would serve as clarification of injunction and avoid a conflict between the courts); In re Doar, 234 B.R. 203, 207 (Bankr. N.D. Ga. 1999) (same)

9. Fireman's submits that "cause" exists for this Court to reopen this case for the purpose of determining Fireman's attached Motion for Modification of the Discharge Injunction because, among other reasons: (1) this Court has expressly retained jurisdiction for this purpose; (2) the Debtor did not notify Fireman's of this case in response to Fireman's demands, nor has it disclosed the extent of its insurance coverage; (3) Fireman's and its counsel request the security of an Order of this Court before taking any action which would have any possibility of violating this Court's injunction; and (4) the State Court has expressed its desire to defer to this Court's expertise concerning the interpretation of bankruptcy law.

10. No prejudice would inure to the Debtor if this case were reopened and it would be in the interest of justice for this Court to reopen this case for purposes of ruling on Fireman's Motion for Modification of Discharge Injunction.

WHEREFORE, Fireman's respectfully requests that this Court enter its Order Reopening this case for purposes of ruling on Fireman's Motion to Modify Discharge Injunction and for such other and further relief as this Court deems just and proper.

**FIREMAN'S FUND INSURANCE COMPANY'S
MOTION TO MODIFY DISCHARGE INJUNCTION**

COMES NOW, Fireman's Fund Insurance Company, as subrogee of Basic Resources, Inc. and George Reed, Inc. ("Fireman's Fund"), by and through its undersigned attorneys, and pursuant to §524(e) of the Bankruptcy Code, and files this its Motion to Modify Discharge Injunction, as follows:

1. This Court has jurisdiction over the parties and subject matter and pursuant to 28 U.S. C. §§1334 and 157(a) and the standing order of reference entered by the District Court.
2. This is a Chapter 11 case, the Order for Relief having been entered on September 14, 2000.
3. This Court confirmed the Debtor's Chapter 11 Plan on or about July 11, 2001 and thereby imposed a permanent injunction against acts to collect debts of the Debtor arising before confirmation.
4. On or about April 18, 2001, after the Order for Relief, an asphalt plant recently purchased by Basic Resources, Inc. from the Debtor exploded on a Basic

Resources job site while being tested by a Gencor technician causing damages to Basic Resources, Inc. and George Reed, Inc. of approximately \$960,457.22.

5. In July of 2001, American Insurance Company, Fireman's predecessor-in-interest, formally notified the Debtor of Fireman's subrogation claim and requested the Debtor to contact it. The Debtor did not respond to the July 2001 subrogation demand.

6. In August of 2002 and February of 2004, Fireman's, through its subrogation agent CRAIG/IS Ltd., again contacted the Debtor in writing and demanded payment of its subrogation lien. The Debtor did not respond to the demand letters.

7. After the Debtor failed to respond to these demands, Fireman's forwarded the file to James P. Gainey of Kelley, Kronenberg, Gilmartin, Fichtel and Wander, P.A. to file suit against the Debtor.

8. On or about September 24, 2004, Gencor was served with process in case no. 2004-CA-7746, in the Circuit Court for Orange County Florida, the Honorable Renee Roche presiding (the "Orange County action"). At the time of filing the Orange County action, neither Fireman's nor its counsel, James P. Gainey, had any knowledge of the Gencor bankruptcy.

9. On January 10, 2005, after a default had been entered against the Debtor in the Orange County action, Mr. Gainey received a letter from John Elliot of the Debtor which informed Fireman's, for the first time, that Gencor had filed bankruptcy and also advised Mr. Gainey that George Reed, Inc. had been previously notified of the bankruptcy.

10. The undersigned has diligently reviewed the proceedings in this case and has determined that George Reed, Inc. was added as a creditor by the Debtor on or about May 16, 2001, and that on June 12, 2001 a certification was filed by the Debtor's counsel stating that the confirmation package had been mailed by counsel to George Reed, Inc.

11. Although Fireman's post-petition subrogation claim against the Debtor may be discharged by the failure of Fireman's to file a request for administrative expense in this proceeding, Fireman seeks modification of the discharge injunction for the purposes of pursuing the Debtor in the Orange County Action, as a nominal Defendant only, in order to recover from the Debtor's insurance carriers.

12. This Court has granted the same relief requested herein previously by order and memorandum opinion dated November 20, 2002, documents 906 and 907.

WHEREFORE, Fireman's Fund respectfully requests that this Court modify the discharge injunction to permit Fireman's Fund to pursue the Orange County action against the Debtor only as a nominal Defendant for purposes of recovering against available insurance proceeds and for such other and further relief as this Court deems

just and proper.

OPPOSITION OF GENCOR INDUSTRIES, INC.

TO AMENDED MOTION TO REOPEN

Comes now Gencor Industries, Inc. ("Gencor"), by and through its undersigned attorneys, opposing the motion of Fireman's Fund Insurance Company ("Fireman's") to reopen Gencor's closed chapter 11 case. Gencor, in response thereto, respectfully submits as follows:

1. This case was closed on July 1, 2005, following Gencor's successful reorganization.
2. By its motion, Fireman's seeks to reopen this case. Fireman's stated purpose for such reopening is to seek an order from this Court to the effect that this Court's discharge injunction does not apply to Fireman's.

EXHIBIT 3

3. Fireman's asserts that "no prejudice would inure to the Debtor if this case was reopened."

4. Gencor respectfully submits that Fireman's motion should be denied, as the motion is wholly unnecessary, and Gencor will obviously be prejudiced thereby.

5. Specifically, if Fireman's believes that Gencor owes Fireman's money, and that the discharge does not apply to Gencor, Fireman's is free to take that position in any court of appropriate jurisdiction. Fireman's does not need to reopen Gencor's chapter 11 case to litigate that issue.

6. The authority cited by Fireman's in support of its motion – In re Patterson, 297 B.R. 110 (Bankr. E.D. Tenn. 2003) and In re Doar, 234 B.R. 203 (Bankr. N.D. Ga. 1999) – both stand for the proposition that a case might be reopened for the purpose of modifying a discharge injunction to permit creditors to nominally sue a former debtor for the purpose of reaching the debtor's insurance carrier. Fireman's seeks no such modification here. Rather, Fireman's is simply seeking a singular judicial determination that the discharge does not apply to Fireman's. Moreover, unlike in its cited precedent, Fireman's acknowledges that it intends to proceed against Gencor directly (as opposed to limiting any recovery against Genor's insurance carrier). Fireman's cited authority is therefore inapposite.

7. Fireman's is also incorrect in asserting that no prejudice will come to Gencor by reopening Gencor's chapter 11 case. Most obviously, Gencor will again be subject to fees owing to the Office of the United States Trustee while the discharge issue is litigated in this court. More fundamentally, Gencor should not become subject to a perpetual chapter 11 case simply because creditors from time to time question the scope of the discharge injunction. Again, this Court did not retain exclusive jurisdiction to adjudicate discharge injunction issues. Those issues can be resolved by the appropriate courts.

8. Gencor therefore respectfully requests that Fireman's motion be denied.

THIS STIPULATION is made this 8th day of November, 2005 by and among Plaintiff, FIREMAN'S FUND INSURANCE COMPANY ("Fireman's Fund"), Defendant, GENCOR INDUSTRIES, INC. ("Gencor") and AMERICAN GERLING INSURANCE COMPANY ("American Gerling"), as follows:

RECITALS

WHEREAS, an Order for Relief was entered on September 14, 2000, in the Chapter 11 bankruptcy proceeding of Gencor filed in the United States Bankruptcy Court for the Middle District of Florida, Orlando Division, case no. 00-03597-6J1 (the "Gencor Bankruptcy");

WHEREAS, Fireman's Fund alleges in this action that Basic Resources, Inc./George Reed, Inc. acquired a post-petition claim against Gencor as a result of an explosion to an asphalt plant recently purchased from Gencor occurring on a Basic Resources Inc. job site on or about April 18, 2001 (the "Claim");

WHEREAS, Fireman's Fund alleges that it obtained a subrogation claim as a result of payments made to Basic Resources, Inc. and/or George Reed, Inc., its insured, as a result of the Claim;

WHEREAS, Fireman's Fund filed this subrogation action against Gencor on September 22, 2004 without notice of the Gencor Bankruptcy;

WHEREAS, Fireman's Fund obtained a clerk's default against Gencor in this action on November 8, 2004;

WHEREAS, Gencor filed a Motion to set aside the clerk's default in this action on Feruary 24, 2005 and American Gerling has submitted an Affidavit in support of the Motion to set aside the clerk's default;

WHEREAS, Gencor has alleged in this action that Fireman's Fund is precluded from pursuing this action by the discharge injunction of section 524(a)(2) of the Bankruptcy Code resulting from the confirmation of Gencor's Fourth Amended Plan of Reorganization in the Gencor Bankruptcy;

WHEREAS, section 524(e) of the Bankruptcy Code provides that a discharge not affect the liability of any other entity on the Claim, and Fireman's has filed the attached Amended Motion to Reopen the Gencor Bankruptcy;

WHEREAS, the parties hereto have now agreed that the discharge injunction does not preclude Fireman's Fund from continuing this action against Gencor solely for the purpose of obtaining any and all available insurance proceeds which cover the Claim; provided; however, that the discharge injunction does prohibit Fireman's Fund from enforcing any judgment obtained in this action *in personam* against Gencor.

AGREEMENT

NOW THEREFORE, in consideration of the premises set forth above, and for such other valuable consideration, the receipt and sufficiency of which is hereby expressly acknowledged, the parties to this Stipulation hereby expressly agree as follows:

1. The Recitals set forth above are true and correct.

2. Fireman's Fund, Gencor and American Gerling do hereby stipulate and agree that the discharge injunction resulting from the confirmation of Gencor's Fourth Amended Plan of Reorganization in the Gencor Bankruptcy does not prohibit Fireman's Fund from pursuing this action against Gencor solely for the purpose of recovering any and all available insurance proceeds which cover the Claim; provided, however, that any judgment obtained against Gencor in this action may not be collected by Fireman's Fund *in personam* against Gencor.

3. Gencor and American Gerling hereby stipulate and agree to immediately withdraw any bankruptcy defense in this action.

4. Fireman's Fund hereby stipulates and agrees to an Order in this action vacating the clerk's default entered against Gencor in this action.

5. Fireman's Fund hereby stipulates and agrees to withdraw its Motion to Reopen in the Gencor Bankruptcy.

6. This Stipulation constitutes the entire agreement among the parties relating to the subject matter of this Stipulation and there are no agreements, understandings, warranties or representations among the parties except as set forth herein.

7. This Stipulation may be executed in counterparts, via facsimile, and each of which will be deemed an original document, but all of which will constitute a single document. This Stipulation will not be binding on or constitute evidence of a contract among the parties, until such time as a counterpart of this Stipulation had been executed by each party and a copy thereof delivered to the other parties to this Stipulation.

8. This Stipulation is the product of negotiations among the parties hereto, all of which were represented by counsel. Therefore, the parties hereto hereby acknowledge and agree that they have read and understood the various provisions of this Stipulation and that no ambiguities or future dispute regarding the Stipulation shall be interpreted against any party hereto solely because that party hereto was the scrivener of this Stipulation or any section hereof.

9. Each counsel or other person executing this Stipulation on behalf of any party hereto hereby warrants that he or she has the authority to do so and to bind the appropriate party hereto.
